

High Quality Access Hatches

Imtra Access Hatches combine sleek styling, convenient features, and unequalled durability.

Exceptional performance and attractive design make Imtra Access Hatches the ideal choice for both power and sailing yachts. We offer a range of rectangular and round access hatches in a variety of styles and colors. Made of durable UV-resistant ASA plastic, our hatches feature a soft gasket which ensures a weather-tight seal. Each lid is reinforced with a non-skid surface and can be positioned vertically or horizontally.

Cover hinges 180° and lays flat to deck when open.

Series 4000 Rectangular Access Hatches

Our latest boat hatches, available in three sizes. All feature full, 180° opening lids (inset above). Easy installation, low-profile styling, CE-Approved.

Series 3000 Rectangular Access Hatches

Durable hatches in three sizes, featuring snap-down latches for a positive closure. Low-profile styling with screwhead covers.

Series 3000 Round Access Hatches

Round hatches featuring removable cover and positive latch with flip-up ring handle. Low-profile styling with screwhead covers.

To see the full line of access hatches, along with our snap-apart hinges and accessories, please visit www.imtra.com.

Standard features include:

- Cover opens 180° and lays flat to deck when open
- Easy access rotating handles
- Continuous cutout for easy installation
- Fasteners hidden by cover
- Low-profile styling
- Optional locking assembly (large size only)
