

# The CLite2 - LED Searchlight

Introducing the ALL NEW CLite2 with powerful LED-technology

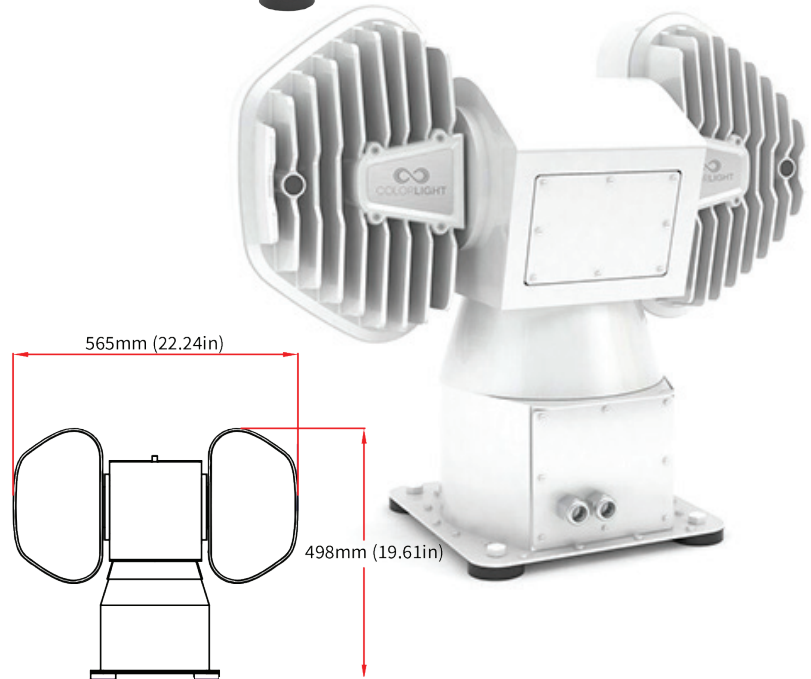

## Advantages

- Modern and functional design
- Reliable and durable construction
- Continuous maneuverability for superior sea area coverage
- Unlimited 360° rotation on both axis for versatile use and flexibility in installation

## Technical Information

Light Intensity	2,400,000 Cd
Luminous Flux	40,000 lm
Range	1,500m (4,921.26ft)
Color Temp	6300K
CRI	>70 Ra
Beam angle	5°
Light source	LED
Input power	24V or 110-230VAC
Power consumption	680W (max load) EBOX 24Vdc 850W (max load) EBOX 100-240VAC
Height	498mm (19.61in)
Width	565mm (22.24in)
Depth	255mm (10.04in)
