

The Trusted Source for Quality Systems

MANUFACTURING / FABRICATION TECHNICIAN

Imtra Corporation is a leading importer and manufacturer of high-quality equipment for the Recreational and Commercial Marine, Energy and Transportation markets. We are actively looking to expand our support team that caters to our growing business in these sectors.

We have an immediate opening for a **Manufacturing / Fabrication Technician** located at our headquarters in **New Bedford, MA**.

Imtra's Service Department consists of several positions that work closely together as a team. The Manufacturing/Fabrication Technician is an individual role that works closely with the Director of Operations in prioritizing production jobs, quality control initiatives, carpentry tasks and minor building maintenance.

This position entails:

Responsibilities:

- Basic production capabilities to support manufacturing operations
- Repair order support for Service Team
- Chain cutting
- Quality Control projects
- Seasonal trade show display fabrication
- Packaging support
- Minor building maintenance

Required Skills:

- Understanding of DC electrical systems
- Mechanical experience
- Carpentry skills
- Basic computer skills

Necessary Traits for Success:

- Positive communication skills
- Teamwork and dedication to excellent customer service
- Ability to prioritize work and adhere to project completion deadlines

Helpful Experience & Knowledge

- Knowledge and comfort using various pieces of equipment such as Saws (bandsaw, chop saw, jig saw, miter saw, table saw, etc), Dremel tools, Milling machines, Grinders, Hydraulic Presses, Cutting torches, Lathes.
- Prior experience in the Marine Industry and boating preferred but, not necessary

We have a strong company culture where “fit” is critical in all hires. We look for self-starters with strong work ethics, a positive attitude and the understanding of how to have fun while working hard. Integrity, honesty and an inherent sense of accountability are expected traits. The successful candidate will be assertive and energetic, must possess a sense of urgency and demonstrate a high level of professionalism when completing assigned tasks.

Compensation & Benefits

- Competitive Salary
- Bonus
- Health and Dental insurance with generous company contribution
- 401(k) retirement plan with company match
- Life, AD&D, Short-Term and Long-Term Disability
- Vacation Policy
